## Wire Muzzle - S

Italian Greyhound Wire Muzzle of Australian type. Made of hardened stainless steel wire. Fits Italian Greyhound. Available in two sizes. You can also buy our muzzles from us at lure coursing events etc. Contact us for more information. Read more about muzzle adjustment.

245,00SEK

## Wire Muzzle - M

Wire Muzzle of Australian type in three sizes for Whippet, Bazenji and others. Made of hardened stainless steel wire. Details lined in PVC. The size will easily be adjusted with the nosebracket and neckbracket. NOTE! The nosebracket and the neckbracket may NOT be adjusted only by wire bending. After try-in the wire must be cut to adequate length. The color of the lining shows the size. Length = the length of the muzzle without neckband (see picture above). You can also buy our muzzles from us at lure coursing events etc. Contact us for more information. Read more about muzzle adjustment.

245,00SEK

## Wire Muzzle - L

Wire Muzzle of Australian type in nine sizes for Saluki, Greyhound, Spanish Greyhound, Borzoi and others. Made of hardened stainless steel wire. Details lined in PVC. The size will easily be adjusted with the nosebracket and neckbracket. NOTE! The nosebracket and the neckbracket may NOT be adjusted only by wire bending. After try-in the wire must be cut to adequate length. The color of the lining shows the size. Length = the length of the muzzle without neckband (see picture). See also the Size Guide tab. You can also buy our muzzles from us at lure coursing events etc. Contact us for more information. Read more about muzzle adjustment (Swedish).
